

THEIA

sphær

Vibrant, colourful, dignified: Theia, donning her magnificent ceremonial attire with grace, stands as a true titaness. This goddess of light effortlessly melds the robustness of her glass and ceramic elements. As the sun's progenitor, a tender dawn stirs beneath Theia's glass skirt. Her radiant presence and contributions to the creation of the cosmos are justifiably considered her momentous accomplishments.

MATERIAL & FINISH

Theia consists of a bell-shaped transparent glass, behind which a pink pigmented glass encloses the light body. In addition, there are four ceramic shapes, painted in the colours light green, orange, light blue, and dark red-violet with a matte finish. A suspension tube made of sturdy iron, coloured in gold-silver, holds the lamp stable and securely, with the length of the suspension being adjustable.
