

OURANIA

sphær

Ourania is cradled by the heavens like ceramic by glass, like a child by parents. Ceaselessly, she aspires to the stars — unburdened, unwavering. The light refracts through her rose-hued glass form, bathing her surroundings in comforting serenity. Ourania encompasses both mother and father, light and shadow — intimacy and aloofness. They all are linked by the gaze that ascends to the sky.

MATERIAL & FINISH

The pendant light Ourania consists of a pink-pigmented glass sphere that carries a petrol-coloured ceramic sphere on one side.

A suspension tube made of sturdy iron, coloured in gold-silver, keeps the lamp stable and secure, with the length of the suspension being adjustable.
